

RESEARCH REQUEST

Services Provided - We are ready to assist you with your search for ancestors who may be interred in Allegheny Cemetery. Please complete the form below and, *based on what is recorded, we may be able* to provide you with the following:

- *Deceased's name as listed on our records
- *Date, Place and Cause of Death
- *Place of Birth
- *Section and Lot Numbers
- * Individual Plot Maps
- * Names of Individuals in Plot
- * Funeral Home Name and Address
- * Name of Next of Kin

We will conduct a thorough search of our records and release as much information as possible according to availability and legal boundaries. Please know that unless a family entrusted us to preserve their lineage, we will not have information denoting familial relationships or family trees. We can provide to you records that may help you in your quest to make these connections on your own.

Fee Requested - The Allegheny Cemetery Historical Association is charged with maintenance and preservation of our priceless records. *We request that you enclose a \$25.00 per name donation to the A.C.H.A.* in support of our mission.

How to Submit a Request - We are happy to assist you by providing general information (names of deceased persons, locations and Section maps) over the phone or at the office. For a search of our archived records, please submit the information below, *along with a \$25 donation per name*. Our Administration professionals will add your search to the queue of requests and all requests are addressed in the order in which they are received. In consideration of this, as well as the limited size of our staff, please allow us up to six weeks to respond to your query. At that time, you will receive acknowledgement of your donation along with a full report of the findings.
